LIGHTING EXPERTS

A VISION TO INSPIRE THROUGH
ILLUMINATION.

Who We
Are

We Bring Your Ideas To Life

Founded in July 2025, PRINEX is committed to setting new benchmarks in lighting design and execution.

The Ideas

Our full-scope approach—from concept to final installation—ensures design precision, energy efficiency, and architectural harmony.

Mr. Amrish Rughani

Founder

Results driven sales and marketing leader with over 28 years of experience driving growth across retail, advertising, and technology sectors. As former General Manager (Business Development) at Justdial (Gujarat), I spearheaded regional expansion into Gujarat's underserved markets, built agile, high-performing teams, and consistently surpassed ambitious growth targets. Recognized with multiple awards for strategic excellence and top-tier managerial performance.

I bring a unique blend of operational precision and creative problem-solving, with a proven ability to align teams with business goals and transform challenges into scalable success. My leadership style is rooted in collaboration, market foresight, and a passion for elevating brand experiences through data-driven strategies and elegant execution.
